● **Comments:**

Our client Ringfree International Corp. is the assignee of record for the present application, and our firm is the representative of record. Attached are copies of the following documents to show chain of title and Power of Attorney:

1. Assignment from inventors Rhee and Hong to Ringfree Co. Ltd.;
2. Assignment from Ringfree Co. Ltd. to Ringfree International Corp. (recorded on 2/10/03 at Reel 013739, Frame 0193);
3. Revocation of Prior Power of Attorney and Power of Attorney appointing our firm;
4. Statement under 37 C.F.R. 3.73 (b); and
5. Return-Stamped Postcard received from USPTO on June 30, 2003, indicating receipt of above documents.

You have advised us on August 5, 2004, that the application has been abandoned for failure to respond to a Non-Final Office Action dated November 18, 2003. The Office Action was sent to Lee & Hong P.C., the prior representative for the assignor Ringfree Co., even though revocation and new Power of Attorney appointing our firm was filed in June 2003. Lee & Hong P.C. failed to forward the Office Action to our firm, even

though they were aware that we are representing the assignee, my client, Ringfree International.

Given that the Office Action was misdirected to the wrong representative due to circumstances that are no fault of our client, including apparent and unreasonable delay by the Patent Office in effecting a change in Power of Attorney, we respectfully request that this case be reopened without requiring a formal Petition to Revive. Our client should not be burdened with the additional cost of such Petition. Please resend the Office Action with a revised date for response.

Should a formal Petition be required, we respectfully request a copy of the November Office Action by fax.

If you have any questions, please feel free to contact our office.

Sincerely yours,

Wen Liu
